("Condor" or "the Company")

Grant of Options

Condor Gold Plc, an AIM quoted gold exploration and development company focused on permitting a base case 2,800tpd processing plant with the capacity to produce 100,000 oz gold per annum and demonstrating a District scale gold play at its La India Project in Nicaragua, announces that on 5th July 2017 (the "Grant Date") it granted 1.94million share options under the Company's existing share options scheme to Directors and other staff.

The share options were granted by the remuneration committee and approved by the Board as part of the Company's annual share option scheme. The share options were granted to:

Mark Child	800,000
Jim Mellon	150,000
Roger Davey	150,000
Peter Flindell	150,000
Kate Harcourt	150,000
Dave Crawford	40,000
Other employees	500,000

The share options have an exercise price of 62 pence per share (being the Placing price at which Condor raised £5.242million in February 2017) and are exercisable for a period of 5 years from the Grant Date, with the restriction that no options can be exercised within 12 months of the Grant Date, only up to 50% of the said options can be exercised in the following 12 months and thereafter 100% of the said options can be exercisable, provided that the grantee remains with the Company.

Following the grant of the share options outlined above, the total share options outstanding will represent 12.4% of the 61,365,382 ordinary shares in issue.
